Kid bandits are wicked! And dreadfully ill-bred, never doing things the way they ought to be done. Just watch them eat! And those strange games they play, the weird things they build. Nor do they talk to anybody. But they have a whale of a time. And when things get tough, they stick together! So, wouldn't every child want to be a kid bandit once in a while? Now, here's a cheeky little cardboard book which the kids will love it - and the grown-ups, too!
