

A wonderful Christmas DIY Book!

Button by button, Sabine Lohf and Yvonne Hergane help to make the Advent season before Christmas go by quickly. Lots of buttons have fallen out of Santa's big sack, and now they're being put to use as wheels for a puppet carriage, as eyes for a teddy bear, or for a funny snowball fight. On each day of advent a button is added, until 24 of them decorate the Christmas tree.

Sabine Lohf has created tongue-in-cheek illustrations for Yvonne Hergane's clever rhymes. This book is not only great for counting but also offers many colourful ideas for Christmas time: making button garlands, painting wishlists, polishing Santa's boots, and much more.
