Rotraut Susanne Berner, born in Stuttgart in 1948, is one of the best-known and most honoured German illustrators internationally. She studied graphic design at the University of Applied Sciences in Munich and has worked as a freelance author and illustrator since 1977. She has been nominated several times for the most important international awards, the Astrid Lindgren Memorial Prize and the Hans Christian Andersen Prize. In 2006, Rotraut Susanne Berner was awarded the special prize of the German Youth Literature Prize for her complete works. She lives in Munich.

Susanne

Susanne loves hats and has lots and lots of them. But one day her favourite gets lost ...

Ina

Ina's one for being outside, in the open, in the middle of nature. But the weather doesn't always play ball, and after every hike she always loves to come home because here it's always "sunny weather".

Petra

Petra is a regular bookworm. You're bound to find her reading a book, no matter where she might be: in bed, in the loo, or relaxing in a bath.

Monika and Mingus

The first couplet of this story presents proud Monica, a tawny puss, wooed by Mingus, a love-sick tomcat. She finally yields to his entreaties, and before long there are three little kittens, partly tiger-specked, partly black-and-white, to complete the little family.

Oskar

Oskar, as every reader of the Treasure Chest books will know, is a great lover of geese. The story of how he became an anserophile in the first place is told in this little book.

Nico

For many fans of the Treasure Chest Kingdom Nico the Parrot remains a firm favourite. In this particular story he is the main character.

Manfred and Elke

When Manfred goes jogging, adventure's never far away. One day he loses his key and purse.

Peter and Struppi

Struppi is Peter's cheeky little dog. He wants a life of adventure, while all that Peter has on offer is the likes of „stop!, sit!, heel!“ But there are ways out of this boring routine ...
