

Red, Green, Yellow or Multicolor?

2+

Daniela Kulot

We travel to the Land of Color

26 pages + cover , fully colored, 22 x 15.5 cm, cardboard

€ 13.00

All rights available

A bus is driving to the sea, but take a look, it's passenger-free . . .
But not for long. Along the way the bus stops again and again, and new passengers enter: in Redland, the tomatoes; in Yellowland, bananas; in Greenland, frogs. Come along and join us – there's a surprise around every corner!

A fun-filled book about the world of color.
